

Pylint report from report.jinja2

Messages

Module backroom (backroom.py)

Line	Col.	Type	Symbol	ID	Obj	
8	0	warning	wildcard-import	W0401		Wildcard import classes
8	0	warning	unused-wildcard-import	W0614		Unused import(s) Player, Customer, Table, Seat, Counter, Register,
9	0	convention	wrong-import-order	C0411		third party import "pygame" should be placed before first party imp
11	0	convention	invalid-name	C0103	stockingShelf	Class name "stockingShelf" doesn't conform to PascalCase naming sty
11	0	refactor	too-few-public-methods	R0903	stockingShelf	Too few public methods (1/2)
23	8	convention	invalid-name	C0103	stockingShelf.__init__	Attribute name "interactionZone" doesn't conform to snake_case nami
31	0	convention	trailing-whitespace	C0303		Trailing whitespace
32	4	warning	arguments-differ	W0221	stockingShelf.render	Number of parameters was 2 in 'GameObject.render' and is now 3 in c
38	0	convention	invalid-name	C0103	shelfSpot	Class name "shelfSpot" doesn't conform to PascalCase naming style
51	0	convention	trailing-whitespace	C0303		Trailing whitespace
52	4	convention	invalid-name	C0103	shelfSpot.storeIngredientBox	Method name "storeIngredientBox" doesn't conform to snake_case nami
60	0	convention	superfluous-parens	C0325		Unnecessary parens after 'not' keyword
61	0	warning	bad-indentation	W0311		Bad indentation. Found 16 spaces, expected 12
62	0	convention	trailing-whitespace	C0303		Trailing whitespace
67	0	warning	bad-indentation	W0311		Bad indentation. Found 16 spaces, expected 12
68	0	warning	bad-indentation	W0311		Bad indentation. Found 16 spaces, expected 12
69	0	warning	bad-indentation	W0311		Bad indentation. Found 16 spaces, expected 12
70	0	warning	bad-indentation	W0311		Bad indentation. Found 16 spaces, expected 12
71	0	warning	bad-indentation	W0311		Bad indentation. Found 16 spaces, expected 12
72	0	convention	trailing-whitespace	C0303		Trailing whitespace
73	4	convention	invalid-name	C0103	shelfSpot.removeIngredientBox	Method name "removeIngredientBox" doesn't conform to snake_case nam

78	4	warning	arguments-differ	W0221	shelfSpot.render	Number of parameters was 2 in 'GameObject.render' and is now 3 in c
81	11	convention	singleton-comparison	C0121	shelfSpot.render	Comparison 'self.open == False' should be 'self.open is False' if c
84	0	convention	invalid-name	C0103	ingredientBox	Class name "ingredientBox" doesn't conform to PascalCase naming sty
84	0	refactor	too-many-instance-attributes	R0902	ingredientBox	Too many instance attributes (9/7)
98	8	convention	invalid-name	C0103	ingredientBox.__init__	Attribute name "interactionZone" doesn't conform to snake_case nami
104	4	convention	invalid-name	C0103	ingredientBox.updatePosition	Method name "updatePosition" doesn't conform to snake_case naming s
110	4	convention	invalid-name	C0103	ingredientBox.popBox	Method name "popBox" doesn't conform to snake_case naming style
110	20	convention	invalid-name	C0103	ingredientBox.popBox	Argument name "ingredientBoxes" doesn't conform to snake_case namin
110	37	convention	invalid-name	C0103	ingredientBox.popBox	Argument name "backroomCollisions" doesn't conform to snake_case na
110	4	error	no-self-argument	E0213	ingredientBox.popBox	Method 'popBox' should have "self" as first argument
119	8	convention	invalid-name	C0103	ingredientBox.popBox	Variable name "backRoomIndex" doesn't conform to snake_case naming
120	8	convention	consider-using-enumerate	C0200	ingredientBox.popBox	Consider using enumerate instead of iterating with range and len
124	0	convention	trailing-whitespace	C0303		Trailing whitespace
125	8	convention	consider-using-enumerate	C0200	ingredientBox.popBox	Consider using enumerate instead of iterating with range and len
127	16	convention	invalid-name	C0103	ingredientBox.popBox	Variable name "backRoomIndex" doesn't conform to snake_case naming
130	0	convention	trailing-whitespace	C0303		Trailing whitespace
131	4	convention	invalid-name	C0103	ingredientBox.pickIngredient	Method name "pickIngredient" doesn't conform to snake_case naming s
131	23	convention	invalid-name	C0103	ingredientBox.pickIngredient	Argument name "ingredientsList" doesn't conform to snake_case namin
131	4	error	no-self-argument	E0213	ingredientBox.pickIngredient	Method 'pickIngredient' should have "self" as first argument
131	4	refactor	inconsistent-return-statements	R1710	ingredientBox.pickIngredient	Either all return statements in a function should return an express
133	17	error	not-an-iterable	E1133	ingredientBox.pickIngredient	Non-iterable value ingredientsList is used in an iterating context
136	0	convention	trailing-whitespace	C0303		Trailing whitespace
137	4	convention	invalid-name	C0103	ingredientBox.setSpot	Method name "setSpot" doesn't conform to snake_case naming style
141	4	convention	invalid-name	C0103	ingredientBox.grabIngredient	Method name "grabIngredient" doesn't conform to snake_case naming s

153	4	warning	arguments-differ	W0221	ingredientBox.render	Number of parameters was 2 in 'GameObject.render' and is now 3 in o
155	8	convention	invalid-name	C0103	ingredientBox.render	Variable name "ingredName" doesn't conform to snake_case naming sty
158	11	convention	singleton-comparison	C0121	ingredientBox.render	Comparison 'self.interactionZone != None' should be 'self.interacti
159	76	convention	trailing-whitespace	C0303		Trailing whitespace
161	0	refactor	too-few-public-methods	R0903	DoorEntry	Too few public methods (1/2)
168	0	convention	trailing-whitespace	C0303		Trailing whitespace
171	0	convention	missing-final-newline	C0304		Final newline missing

Module button (button.py)

Line	Col.	Type	Symbol	ID	Obj	
1	0	convention	missing-module-docstring	C0114		Missing module docstring
1	0	warning	wildcard-import	W0401		Wildcard import constants
1	0	warning	unused-wildcard-import	W0614		Unused import(s) sys, time, random, copy, WIDTH, HEIGHT, FPS, PLAYER_SPEED, CUS1
3	0	refactor	too-many-instance-attributes	R0902	Button	Too many instance attributes (8/7)
10	4	refactor	too-many-arguments	R0913	Button.__init__	Too many arguments (8/5)
10	4	refactor	too-many-positional-arguments	R0917	Button.__init__	Too many positional arguments (8/5)
61	25	error	no-member	E1101	Button.handle_event	Module 'pygame' has no 'MOUSEBUTTONDOWN' member
65	0	convention	missing-final-newline	C0304		Final newline missing

Module classes (classes.py)

Line	Col.	Type	Symbol	ID	Obj
